Off.Road

Trendy 15.4“ Notebook bag in a hip outdoor-look

Your Notebook is perfectly disguised in the functional Notebook bag "Off.Road" from DICOTA which comes in a hip outdoor-look.

Notebooks up to 15.4“ are safely stashed in a separate, padded inner compartment and are perfectly protected from knocks and blows. Documents and mobile equipment find room in the spacious inner compartment which offers pockets for mobile phones, pens, CDs and more. The additional compartments on the front and back as well as the outer compartment on the side offer space for additional equipment. An MP3/CD player or iPod can be stored in the specially protected, water-repellent multimedia pocket which offers an opening for a headphone cable. The adjustable shoulder strap with non-slip shoulder pads ensures a comfortable wear.

Off.Road is manufactured from high-quality and robust canvas.

Padded Notebook compartment including protective lid. document compartment with storage room for documents and mobile equipment. zippered compartment on the front for more equipment. multimedia pocket with cable opening for headphone cables (MP3/CD player, iPod and such). additional compartment for mobile equipment on the back. pockets on the outside. adjustable shoulder strap with non-slip shoulder pads. bag covering with buckle latch. robust, high-quality material.
